

**Albion in the
Community**

The coronavirus has changed and is spreading more easily and quickly at the moment.

The Government have decided we need to go into lockdown again

This means that all of our football sessions are being suspended for now

So none of our disability football sessions are running

We will be running football and social activity sessions on Zoom and have online challenges

We will be in regular contact with people and can even do things like go for a walk.

We hope to be able to start face-to-face sessions again at the end of February but we don't know for certain
